

Miss You – Wolf

1. Refrain:

To the drums of Fire through the endless Night

I'm still missing you babe

I feel the same desire, deep inside my heart

I'm still burning for you

And I miss you,

(Chor: **Uh, I miss you**) and I miss you so bad (Chor: **drums of fire**)

I miss you like crazy

2. Refrain: **To the drums of Fire through the endless Night**

I'm still missing you babe

I feel the same desire

deep inside my heart

I'm still burning for you

and I miss you, (Chor: **Uh, I miss you**) and I miss you so bad (Chor: **to the drums of fire**)

I miss you like crazy

still I'm gonna miss you (Chor: **uh, I miss you**)

still I'm gonna miss you so bad (Chor: **drums of fire**) I miss you like crazy

3. Refrain:

To the drums of Fire through the endless Night

I'm still missing you babe

I feel the same desire

deep inside my heart

I'm still burning for you

still I'm gonna miss you (Chor: **Still I'm gonna miss you**) still I'm gonna miss you

shattered by the drums of fire (Chor: **Miss you, miss you**)
